Annual Report

"You are the light of the world. A city set on a hill cannot be hidden. Nor do people light a lamp and put it under a basket, but on a stand, and it gives light to all in the house. In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven."

Matthew 5:14-16

Dear Partners,

Many of us lost power during the hurricanes and experienced forms of darkness. During that time, you might have had a lantern or candle you placed high up so that it would light up the room. This is just like the hope of the gospel which the 100 Shares mission embodies. We want to fuel the light of the gospel so that those who still dwell in spiritual darkness can have the opportunity to embrace the One who is the True Light for our community. Together, we can shine brighter! Your biblical generosity and partnership throughout 2024 have been powerful testaments to this commitment and our mission.

In the spirit of this verse, we want to shine brightly before others and do good works so that our communities might see these good works and give glory to God. Because of your generosity, five ministries received the funds needed to shine bright in 2024. Wow!

100 Shares continues to grow. We've welcomed new board members, expanded our team of partners, experienced a surge in grant applications, and navigated challenges with a dedicated volunteer board. Through it all, God's faithfulness has remained steadfast, blessing us abundantly.

As we move forward into the new year, let us continue to embody the light that is the hope for all. Thank you for your unwavering support and commitment to the mission.

With Joy & Gratitude,
Amanda Maynor
